

2010 Lymphedema Conference

Saturday, November 20, Toronto

Dear Lymphedema Friends, Colleagues and Supporters,

The Lymphedema Association of Ontario is pleased to announce that this year's Lymphedema Conference will take place on Saturday, November 20, 2010 at the conference facilities of the CNIB in Toronto, Ontario.

Please visit the web link below, providing detailed information and registration forms.

<http://sites.google.com/site/ontariolymph>

Over the past four years, our conference has experienced a steady growth in delegates and exhibitors, and 97% of last year's participants rated the conference as a worthwhile investment of their time and money. This year we are anticipating 300 participants, including patients, family members, fitters, health care professionals and industry representatives.

We are proud to present a comprehensive roster of distinguished guest speakers that includes:

- **Professor Jane Armer**, University of Missouri Sinclair School of Nursing, Columbia, Missouri
- **Dr. Anna Towers**, Director of the Interdisciplinary Lymphedema Program at McGill University Health Centre
- **Dr. David Keast**, Centre Director at the Lawson Health Research Institute, London, Ontario
- **Robert Harris**, Director of The Vodder School - International
- **Jan McFarland**, Director of the Toronto Lymphocare Centre
- **Decourcy Squire**, Education Director of Complex Lymphatic Therapy Courses
- **Dorit Tidhar**, Aqua Lymphatic Therapy and Clinician/Instructor at the MUHC Lymphedema Clinic

In addition, our exhibit hall will feature twenty companies ready to demonstrate their products. Providing access to lymphedema experts and products is part of our commitment to growing the knowledge base and raising the profile of lymphedema in Canada in order to improve treatment and care for patients.

As a small grassroots organization, we are proud to continue to deliver our signature event, year after year to the lymphedema community. Despite rising costs, we have maintained our registration fees the same as last year, in order to keep the conference accessible to a wide audience.

We encourage you to register soon for best pricing and to secure your first choice workshops at this year's event, as some have limited capacity.

Regards,
Anna Kennedy
Executive Director
